

Triple 8: The Road Home

It's Continuum of Care and Next Step travel planning for your homeless clients on **The Road Home!**

Triple 8

makes the nearest FAX machine or computer your 24 hour link to Next Step information for every region of Massachusetts.

Triple 8 will help you to:

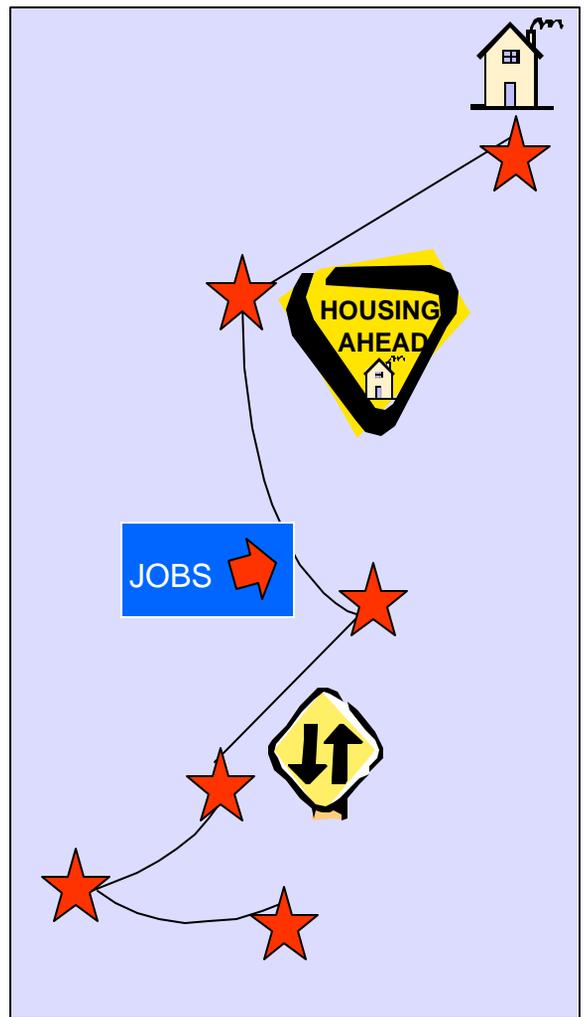

plan the client's itinerary

plot the best route

get reservations information

You'll receive a custom report ^{report} within minutes to give you the most direct non-stop route to the programs and services your client needs!

You'll learn about:

- **Best Destinations:** Program Name and Address
- **Key Contact:** Name and Title
- **Service Summary:** Program Description and Hours of Operation
- **Reservation Information:** Length of Stay and Vacancy Information
- **Passport Information:** Eligibility and Documentation Requirements

Use **Triple 8**:

when clients are gridlocked

when your client hits a bump in the road

when you need on-the-spot assistance

when the way isn't clear

When you use **Triple 8** you'll be guided by **Quick-Signals** to get you to your destination.
